Revision: 1

TITLE : QUALIFICATION FOR REPRESENTATIVE TENNIS

Page: 1 of 1
Date: 25/04/2019

1.0 Rationale

To provide a framework for selection in a representative team where a player has not played TSC interclub in the relevant season but wishes to be selected.

2.0 Interpretation

2.1 The Board meaning the Board of Tennis South Canterbury

3.0 Policy:

3.1 This policy applies where a player wishes to be selected for a South Canterbury representative team but has not played interclub in the relevant season.

3.1.1 The player will be a financial member of a TSC affiliated club

3.1.2 If a player doesn't play in the TSC Interclub competition and wishes to play representative tennis for South Canterbury then that player must apply for an exemption in writing, explaining their unavailability for interclub

3.1.3 That a player is seeking a higher level of competition external to South Canterbury is a valid ground for exemption where that player's skill levels support that outcome

3.1.4 In approving an exemption the Board will take into account whether the player has participated in TSC organised competitions and tournaments other than interclub or has otherwise been a contributing member of the SC tennis community

3.2 Exemption applications will be considered on a case by case basis, acknowledging that any player who might apply can have different circumstances and that Board discretion is appropriate.

3.3 Where the requirements of 3.1.1 and 3.1.3 are met and TSC wishes to select that player then an exemption form may be completed on the players behalf.
